

Murrieta Rams League Sponsorship Program

I am reaching out to you regarding the potential to build a partnership with you and/or your organization. The **Murrieta Rams Youth Football and Cheer Association (MRYFC)** is seeking help to support our Football/Cheer organization. With your help we can find ways to make this year successful for the children who are a part of this organization.

We are part of **The American Youth Football and Cheer Organization**, a **non-profit** international youth organization, whose mission is to promote the wholesome development of youth through their association with adult leaders in the sport of American Football/Cheer.

AYF and Rams Youth Football and Cheer have goals that include the following;

- To provide a wholesome competitiveness within the scope of our rules and regulations that will protect the youth athlete.*
- To teach the fundamentals of football/cheer and to provide a responsible program where none is provided by the public schools.*
- To influence good sportsmanship, teamwork, highest moral and physical standards with the importance of scholarship and academic achievement.*

Your sponsorship will help ensure that each child will get a chance to improve with the numerous programs, activities and events that we have planned. I hope that you will seriously consider becoming a sponsor for the **Murrieta Rams Youth Football and Cheer**.

With your sponsorship and/or donation you will have the benefit of a tax deduction. If you are interested in supporting the **Murrieta Rams Youth Football and Cheer** organization, please contact

Thank you in advance for taking the time out to consider our organization.

Sincerely,
Donald Hutchinson, *MRYFC President*
